My name is Brittany Bouchard. I live in Stafford Springs and I am an 8th grade ELA teacher in East Hartford. I am writing today in support of Raised Bill 948, An Act Addressing Education Funding and Racial Equity in Connecticut. As a Connecticut public school educator, I have seen firsthand the impact that funding inequity has had on my students.

That's why I believe this bill must be passed. Funding inequities across and within our schools are preventing our students--particularly English Language Learners, students of color and children from low-income families--from getting the excellent education they deserve. Connecticut students have faced unprecedented hardship over the past year, and cannot wait multiple years to attend a fully-funded school.
